Our "6-Pack" charter boats offer the luxury of complete privacy for up to 6 passengers (maximum). Almost like owning your own boat with a Captain to guide you, there is plenty of room for Fishing and Relaxation. These 42' diesel powered "Lobster Yachts" offer over 50' of rail space, a spacious enclosed cabin with private head, and a chilled fish box to hold your catch.

All Day, 10 Hour, and Marathon trips are offshore to Jeffrey's Ledge bringing you the enjoyment of ground fishing for Redfish, Haddock, Pollock, Cusk or in season sport fishing for Blue fin Tuna and Shark.

Half Day - Morning, Afternoon or Evening trips are near shore, including local coastal rivers for the "Catch of the Day" excitement of **Striped Bass**, or seasonal migratory fish in the area at the time of your trip including Mackerel & Bluefish.

Your trip will include

Top quality fishing gear and bait
The personal attention of your Captain
Professional guidance for the novice

Suggested items to bring on your trip

Warm Outerwear (Jacket, etc.)
Comfortable Rubber-soled Footwear
